**His
story**

**Convicted
at age 15
of carjacking**

Tried as an adult

Sentenced to 8 years

**He learned the hard way
the importance of staying
in touch with family and
friends to stay motivated**

**After his release he wanted to
write to friends left behind in
prison but it was hard to find time**

**He created an app for people to send
customized photo postcards to prisons**

***Flikshop* can create and mail postcards
to someone in prison quickly and easily**

**He started the *Flickshop School of Business*
to teach business skills and entrepreneurship
to people in prison**
